“ To the Robert Eugene Amschler family

Bobby was a member of Le Order du Chapeau Rouge - the Red Hats, gained by virtue of his immense help to the building of the Red House Interpretive Center in Cape Girardeau, MO. His life experience in building conquered many problems faced in trying to build a colonial period building to meet current city codes. His knowledge and access to the perfect tool or piece of equipment was priceless to completing our task. It was a great pleasure to meet and work with Bobby at the Red House. We visited each year at Senior Information Day. Please except the heartfelt condolences of the the Le Order du Chapeau Rouge and the Red House Board on the passing of Bobby.

Sincerely,

*Paul Nenninger
Red House Board Chair*
