“ Verda and my special friend Willia, I am so saddened to hear of Bob's passing. I am surprised we didn't run into each other at the hospital where my husband was too. I will always remember how kind Bob was and how you all made me laugh while I served you at Cracker Barrel. Please send my condolences to Willia too. Love you, Karen

“ Although I never met others in the family, I knew Bob for many years at Shell. Contact was lost over the years I've been retired, but I'll always remember his wry humor and readiness to tackle any drilling problem. Don Pfau

“ Bob and my husband, Jim, shared a friendship of over fifty years. They worked together in several locations with Shell Oil. Our children grew up together and we all took pride in our three ballerinas in New Orleans, Ginger, Shari, and my Stephanie, as well as our many sons, Bobby and Jimmy. Bob will be greatly missed by all. Prayers, Blessings and Hugs to all the Minton family.

“ Here is a link to contribute to the Wounded Warriors Project in Bob's honor, if you prefer electronic rather than snail-mail: <https://support.woundedwarriorproject.org/default.aspx?tsid=72&campaignSource=WEBSITE&company=&source=HONOR> This is a wonderful organization which I already happened to support, and I just wanted to make it easier for e-donations.
