“ *Bob and I date back to kindergarten. Long time since I've seen him but remember him as a good friend. Please accept my sympathy on his passing.*

“ *I worked for Bob at Shakey's 50 years ago. I think I worked there off and on for 3 or 4 years, from high school into college. I was probably just a smart-ass kid then. Bob treated me as well as could be expected. I don't remember a ton about that time. Shakey's could be hard, long, and hot work around the ovens and fryers. Bob pitched in and ran the store, insisted we wear the styrofoam hats (which drove me crazy), and called everyone, "Chief." I was just thinking of him and those days recently. Prayers for his family.*
