“ Tammy, I am so sorry to hear about your dad. I know what you're going through and how difficult it is. Please know you and your family are in my thoughts and prayers. I remember Dad, Mom and I coming down and staying with you guys when we were little. We had some great times.

“ Tammy and Family, I was so surprised to hear of your dad's passing, he was just in the store not long ago. He looked great and said he was doing great. He always had a big smile on his face and something to say once he walked through the door. I looked forward to our talks ever single time he came in. He was always a gentleman and I had the highest respect for him. You just felt like you had received something of value after talking with him, integrity he had. He will be greatly missed. GOD BLESS
