“ *Mr Warder was a wonderful gentleman. I loved visiting with he and Marvellee. (Her room was 2 down from my mother's). Mr Warder and I had lots in common. We realized we had both worked for Dow Chemical and enjoyed many of the same hobbies like gardening. He would always tease me that I didn't do enough to keep the Dow stock price up after he retired.*

I will miss them both, especially my chats with Mr Warder, he had wonderful stories to tell.

May he find peace now with Marvellee.
