“ To the Fields Family: My sincerest sympathy for the loss of your son, brother, husband & father. Roger was a great guy. I first met him when he was a student at SEMo. We worked together at the Cape County Juvenile Office. My first impression of him, "what a nice young man". I am so very sorry. With condolences.

“ *Bonnie, I remember when we used to work together and Roger would call after school to see what he could eat. I also remember him wanting to go to Clown School. He was always so funny and personable and he turned out to be a true hero. It appears that in his short 50 years of life he made a difference. You are in my prayers.*

“ I got to know Roger and his boys through a couple hunting trips in Texas. Strong bonds are quickly made in the great outdoors and sitting around a fire solving all the World's problems. Roger spoke of his love for his wife, sons and extended family (including the men/women he served with). He was especially proud of his boys. This is a real shock but we must realize God has his own plans for Roger. God bless you all.
