“ Grandpa wish you would have been able to meet your Great-granddaughter's. Me and Ang have so many memories of you and grandma spoiling us :) I will miss you, but you have joined all the other guardian angels to look down on us. Although your not here you can watch over the girls. I am glad that you can breathe freely now, and eat sweets :) Love Always, Kristina

“ Paulette, I was so sorry to read of Ron's passing. I remember him as and awfully tall and shy boy from our 7th grade class. He was always very kind. Was glad he was able to make the 50th High School Class Reunion. Now he will breathe freely without the tubes and cumbersome oxygen tank. He will rise up and walk freely and be happy in the Lord. God Bless You and your family. You're in my thoughts and prayers during this most difficult time.
