“ May God send angels to provide peace for all of the family. May you all continue to put your trust in God and know that He has taken a lamb Home, but keep your faith strong knowing that you will see your loved one again. I went to school with Kyle & Kent and I remember grandpa and he was always kind to me and my family. Whenever you feel sadness replace it with good memories that he brought to this world and your life. "Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus." Philipians 4:6 - 7
