“ Dear Terry, Roy Earl, and Carrie--Roy was a special person. Our family felt very blessed to know him and to count him as a friend. Even in the last few years when I saw him, he took time to stop and talk and share life stories and to remind me that Jennifer still lived in all of your hearts. I know that Roy will also continue to live in your hearts now until you can all be together again.

“ Was sorry to hear of Mr. Darter passing. I got to visit with him at the funeral of one of the Moon Dist employees that he and my Step-Father had worked there with. That was a great bunch of fine men that worked there. Will always remember them all. They would do anything for you.

“ Terry, So sorry to read of your fathers' passing in the paper. Sounds like he lead a long and interesting life. I was surprised to see he worked at Stovall B&B for 15 years. My late uncle Bill also worked many years there in sales starting when it was Guth Brother's B&B and then after Max Stovall bought it. I'm sure the must have been friends. My best to you and your family as you celebrate Roy's life.
