“ *Please accept my deepest sympathy for I too know how it feels to lose a sister. May your family draw comfort as I have from knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and wipe the tears from all faces' by means of his only-begotten son Jesus. (Isaiah 25:8) What a wonderful day that will be!*

“ *I wish I could have been with you today to share memories of Cousin Ruth. She was always interested in all of us in the Kelpé clan and kept in touch. She could bake such delicious pies.*

“ I am sorry to hear about Ruth's death. I probably met her when I was very young but my mom, Margaret Masters Young, spoke very fondly of her all the time. They were best friends. Now they are together.

“ I share your loss. Ruth has been a part of my life for as long as I can remember. We graduated from 8th Grade and High School together. Ruth married my Cousin Bert Heuer. Life took us in different directions but we always kept in touch with each other. Ruth was a very kind, gracious, and loving person. I will always treasure her friendship.

“ My sympathy to all of you. My memories of Ruth and Bert go way back. The plays, ice cream socials, and skating at Hanover to their visit when BJ died. They were wonderful people and Ruth was always so gracious with a wonderful smile. May you all be comforted by the promise of Life Everlasting. Phyllis Crites Hansen
