“ *You are greatly missed Grandma Ruth, I loved you dearly. You were stern, you were strict, and you were also one of the most loving and kind people I've ever known. You took no guff from anyone and were always there for us. I'll always remember my brother and sister spending summers there with you and Grandpa "Joker" on Lewis street to give our parents a well deserved break. Thank you for the memories. Love, Jeffrey (son of Shirley-Rogers Hopper and Larry Hopper)*

“ *What I remember most about Grandma and Grandpa; Picking green beans in the garden. Sitting in the backyard swing. After school, we each got a nickel to get candy at the corner store. Playing in the "tater" cellar. Grandpa teaching me to run a trap-line for beaver and muskrat and taking the hides to Pollak Hide and Fur at the end of the season. Catfishing in the Big Ditch. Grandpas recliner with the spittoon next to it. Building the Mother of All Wheelchair Ramps. Listening to grandma tell stories of her childhood and what life was like in the 20s. Seeing her first moving picture. Taking her first ride in a car. Picking cotton. She lived an epic life. I miss her.*
