“ Personally, and on behalf of the Trustees of the Drum-Wilkinson Clan and the Drum-Wilkinson Educational Foundation, sincere condolences are extended to you, the family. My husband Joe and I were blessed to have the opportunity to become acquainted with Ruthanne when we visited in your home a few years back. We fell in love with her and she has been in our prayers - as you all have - through this challenging time. Whenever sorrow knocks at the door of your heart, stop and recall one of the many beautiful memories that you have and remember that she continues to live through you and all who knew and loved her. God be with you.
