“ *I don't know if anyone will see this, but I just have to say something. I'm Gio, one of Ryan's friends from school. I hung out with Ryan Heubi, Kristopher Overbey, and Tanner Hett almost every day back in middle school and junior high. When Ryan passed away, I was extremely messed up. I didn't attend his funeral because I felt physically ill and mentally volatile from the loss and horrible reality of the situation. Losing a friend at that age is really hard and shocking. To this day, I regret not attending Ryan's funeral and wish that I could have been there for him as well as his family. I'm now a freshman in college, and am finally opening up about the loss. Four years have passed and not a day goes by where I don't think about him. He may not have known it, but he meant a lot to me.*

“ *I had the privilege of working with Ryan during his time at Jackson Middle. Ryan was a wonderful student - he was bright, curious, and had a fantastic sense of humor. His smile and kindness would brighten my day. I know his sweet nature was a reflection of his family and friends who loved him most, and I am sending hope of peace and comfort to those loved ones during this difficult time.*

“ Ryan was always a great kid! We spent many great weekends with his family, for BBQ and swimming! He would play with Mia and Tyler all the time! He is the 1st person who taught Tyler how to play MINECRAFT. They would also love to run around and play nerf guns. I have cute pics of Ryan and Mia together buy the pool. They were buds...Hope his family can find some comfort in this tribute wall.
