“ I'm sure going to miss you really bad momma Sandy. I was always able to talk to about everything regardless of what it was, rather it was good or bad. You were the most caring kind, and always had the bigger heart and loved everyone you knew. Out of all people I know I want to say you never ever were rude or mean to me. And if you did I never held against you. I'll love and miss you on a daily until we meet again, you rest easy now in the hands of Jesus sweet lady.
