“ Perry and Andrea I want to express my deep sorrow of the passing of a great woman, wife and mother. I was in VXE 6 with Sarah we were known as the Chi Chi Banditos. Sarah was always the first one in on a practical joke. I have so many great memories of our serving together. Ask Karla about the Time Warp, pink fluffy things, the cook outs on the back steps of the barracks. I know she will be missed And your loss will be mourned. I also know that Sarah had a great faith and she is now at peace and free of pain. I In lieu of flowers I am making a donation to the Susan G Kohen breast cancer in her name. My thoughts and heart felt prayers are with you and the family.
