Christy and family--My heart is heavy thinking of you all and your loss. We question why? How can this be? But there's a void--we have no answer. Our only hope to get through this horrible time is to let the Holy Spirit carry us along. He is our comforter. He takes over when we are too weary, scared, and helpless to think, act, or even pray. May he hold you in the palm of his hand, caress your broken hearts, and give you a peace that passes all understanding.

Christy and Family: I loved Sarah and have so many memories of her sweet, sassy personality. She lived life on her terms, and put up with bill from nobody. She was special and will be missed by all. May God continue to give you strength and comfort during this difficult time.
