“ Scott was a good friend of my brother, Pat Dougherty, during his two years at Central after my family moved to Cape Girardeau. They also worked together at Town Plaza Cinema, which is where I usually saw Scott. ... Like most people commenting here, what I remember most was how glad Scott made you feel when you saw him. Such a sweet guy. ... Though I was friends with him on Facebook, I hadn't seen him in decades ... but I still will miss him.

“ Scott was a good friend of my brother, Steve George. I had the pleasure of meeting Scott when he came out to visit my brother at his house. My brother had liver cancer and passed Sept 5, 2011. My brother thought a lot of Scott and their friendship. Scott and my brother had some of the same interests. German Shepard's and Harley-Davidson's💙 May his soul rest in peace and God be with all his family. Linda Littlepage

“ I've known Scott since first grade at St. Vincent's. He was then, and always has been, one of the nicest people I've ever had the pleasure to know! Always a kind word and loved to pick on me about seeing pelicans in Missouri. :) Our class of 1975 will not be the same without you, Scotty. My prayers and sincere condolences to the family. May God be with you all.

Scott was a friend for many years in the Franklin School neighborhood, and he was a stand up guy and loyal friend.

He was one of the most welcoming and accepting people on this Earth, and his warm smile and warm heart will be greatly missed.
