“ My husband Steve and I had the pleasure of spending some time with Sharon on the day of Eclipse. What a wonderful down to earth person I'll always remember her to be. I was always so impressed with her ability to do so many things just to name a few.. Cooking, baking, gardening, pickling and WOW.. AMAZING at making the most beautiful quilts I have ever seen!

When I saw her quilts I was in disbelief someone could actually create such a work of art!

I always saw her wearing that beautiful smile and she was one of the most genuine people.. to all even if you didn't know her. Sharon had a way of making you feel like she had known you all her life.. Even if you didn't! This is a photo I took below of Sharon and Mike at the Charleston Azalea Festival.. this is how I will always remember her. With that award winning smile!

We were so very sorry to hear of her passing. She will be greatly missed by her loving family and friends.. and even those who just met her. She just was an amazing person and I can say.. Thank you Sharon.. You blessed our lives with so much even in the short time we knew each other. Rest in Peace.

Your friends from Desoto,
Steve and Debbie

“ Sharon was a great lady. I've known her for many years, she was really good friends with my mom and she was my neighbor at one time. We did alot of things together when I was in my twenties (I'm 42 now) , she never made me feel like I wasn't an equal back then. She helped with my bridal shower and made me 2 beautiful quilts, one of which is on my bed still, after 11 years of marriage. A real special lady, Sharon was. She will be greatly missed. I'm so grateful her suffering is over. Mike I've never met you, but please know my thoughts and prayers are with you. I'm Delilah's youngest daughter.

Mike, Joyce and Lynda: I found out from a mutual friend here in Georgia how respected, loved and valued she was during her time at Golden. I only knew her briefly, but she will certainly be remembered by the many she touched, with her personality and humor, but also her beautiful quilts. God bless!
