“ Sharon was always kind to me. In school and in life outside of school. She always had a good word to share and a smile. She came to events at my house for her step great grandson and she was always inclusive in her caring for our entire family. I am happy that she and Wally had a chance to enjoy life together and that included our family. We are better for having had her in our lives. Her greatest compliment to me was to compare me to one of her daughters because I know what her family means to her. Rest in Peace sweet friend!
