“ I'm going to miss her phone calls. Shelba always was a welcome call while Tom was in the hospital, just knowing someone was thinking of both of us meant alot. She also tried to lift my spirits after his death. I'll never forget her friendship! I'll also miss listening to her talking about all her grandkids, how she loved them all. My prayers are with Art and the rest of the family. May Jehovah God watch over all of you during this time of lost.

“ *Shelba was like a second mom to me growing up. I spent so much time at their house for sleepovers with her daughter, Patty. I have so many good memories of being there. Shelba was also very good friends with my mother and I can remember them spending hours on the phone pretty often. I am very sorry for her family right now but know they realize she is merely sleeping and resting now. Shelba will be missed.*
