“ As a nephew, I have always been very proud of my Uncle Sherm especially for his service as a Marine in WWII. I know Uncle Sherm was on Iwo Jima and witnessed the raising of the flag that has been memorialized by the four Marines raising the flag on that island after taking it and holding it as an American victory. I'm certain that was a very proud moment for Uncle Sherm as well. Now, Uncle Sherm rest in the arms of Him who created and sustained you through those difficults days of your life. God's blessing you now and always. Dave
