Keith Penderg

One of if not the most strongest goofiest person I know and have know my whole life. She taught so much in life and how to be grateful for everything we have in life. She helped raise me from birth and helped me become the person I am today with a soft caring and loving heart. That smile of hers will never leave my mind or her laugh, it was so contagious that you couldn't help but to join in with a smile and or laugh. Nana I love you so much and will miss you till its time for all of us to be together again. Just watch over us from above a new guardian angel.

Love you first and oldeest grandchild.
