“ *Bill & Shirlene & kids lived just behind our Meat Market on the opposite side of street & I think possibly still lived there when our meat market closed in 1988. They were good people & consistent patrons. We watched their children grow up in the neighborhood until they left home or we had closed the market. A wonderful friend to a long time friend of ours & I know she will miss her terribly, Mrs. Glenda Farris. I haven't spoken with her for several months but I learned last time I did talk to her that Shirlene had become ill & it hurt & troubled Glenda immensely. She has a heart the size of Texas & loves people with her whole heart. To all you children, we pray for peace & contentment during this great loss of your mother. She is gone from here but I pray you will hold wonderful memories of her deep within your heart forever. Sincerely, the Burnette family from the Burnette's Meat Market*

“ *Bill and Shirlene were like my second parents growing up. I stayed over night at their home almost every weekend growing up. I remember Bill being our Baseball coach in little league. Shirlene never missed a game. Such awesome people. Shirlene thank you for all the precious memories.*
