“ *To the Nunley family, I'm truly sorry for your loss. I know nothing I say can take away the pain you're experiencing.*

To my dear Shag: thank you so much for loving me, opening both your heart and home to me in a great time of need. I can only smile thinking of the great times we had together. If there is such a thing as, "Like a Mother", that is what you were to me. You mentored me, helped me dry many of tears, and help me celebrate life to the fullest. When it was time for me to leave, each time I came to visit you made me feel welcomed.

I love you infinity! You are now free of pain and in a place where we all hope to make it when God calls us! RIP my Angel!

“ *May God watch over you and bless you during this time of loss. "Shag" as I knew her; always had a smile on her face. She was a kind and gentle spirit.*

Peace be with you.
