“ I haven't seen Stacy for years but I will always remember him and his little sister Julie and mom and dad, Larry and Marilyn, because we played all day long as kids, he was the cutest little boy and as sweet as they come, everyone loved him and he was bound to be a great man, that showed from the time he was 5 years old on up. we lived across the street from each other. I'm so sorry to hear this, you're all in my prayers. Only time can make it a little easier and talking about the good times. He will always be with you in your hearts. “ I am truly sorry to hear of the passing of Stacy. He was my account manager at McKesson for the past few years. I always knew I could count on him for anything that popped up. He was professional and courteous, and he will be missed! Please accept my condolences.

“ I am too saddened by the passing of Stacy. He used to call on Medical Arts Clinic in Farmington for many years. Having to switch to who we purchased supplies from, I lost touch with him. I always thought of him as I was passing through Cape going to visit my parents. Please except my deepest sympathy.

“ Just learned of this tragic event. Stacy was a true friend to me and I was to him, we covered each others backs more than once. Stacy went above and beyond what the normal person would have to correct mistakes whether they were his fault, McKesson fault or office I worked at fault. Thanks for be a true friend Stacy. “ To Millie, Glenn, Heather, Marilyn and their families: I left Cape in December of 1971 and my return there over the years has been infrequent so I never really got a chance to know Stacy personally, however, through my brother Jeff and my sister Jennifer, I became aware of the good man Stacy was so I know what a huge hole his loss will leave in all your lives. Unfortunately I have been cursed (or blessed) with a poor memory, but the memories I do have are of good times spent with Uncle Wilson, Aunt Lottie, Larry and Marilyn, John, Mick, Steve and Mary---I cherish them all. It saddens me beyond words that all the men (save one) in this family have left us too soon.

"Grief, I've learned, is really just love. It's all the love you want to give, but cannot. All that unspent love gathers up in the corners of your eyes, the lump in your throat, and that hollow part of your chest. Grief is just love with no place to go. ~~~And so in our grief, the only thing to do is to give our love a place to go. ~~~Because the truth about grief is that it never leave. Grief lasts as long as love lasts---forever. Somehow, may love become light in the darkness of our grief."

Stacy's love will live on in each of you. In God's love, your cousin

“ Thank you to everyone here for all the kind words, if my father saw the amount of people who came to celebrate his life he would have been overtaken with joy. He will always be remembered for his kind nature and warm heart.

“ I met Stacy in 1995 as I was working to establish Cross Trails Medical Center. He was not only an honest business man but a truly honest and sincere person. He loved his family and was always talking about them and what they meant to him. I haven't seen him in over 10 years but still remember him as a funny, warm person and I know he will be missed by so many. Vici Smith

“ My condolences to Stacy's family. I really liked Stacy, he was always ready to help you out no matter what. He was one of the first people I met when I purchased our clinic and he worked for PSS. He went out of his way to come to our ribbon cutting ceremony at 180 Healthcare even tho it put him late to an important meeting. He was always supportive no matter what the circumstances. He will be missed.

“ We remember Stacey so well. What a dear and wonderful person he was.
The first time we met him was in 1974, my husband and I had just married and moved to Cape.
Stacey and his sister Julie came over very often , Julie asking if Mrs. Brown could come out to play and Stacey wanting to talk and trade Baseball cards with Frank.
These will always be some of our most precious memories.
With love forever to Stacey, his parents, and his family.
Our most earnest prayers for each of you.

“ Stacy was so kind. Every time he came into Cape Foot Clinic, he went out of his way to ask how my daughter was doing. A few times while she was in the hospital he would text and check up on her. Stacy was always there to help. When I would run low on supplies he would drive from where ever and deliver it to me no extra charge. He was a wonderful person! I am sorry for your loss. Prayers.

“ I've known Stacy for many years having met first in sales and soon after becoming good friends. He was one of the hardest working men I knew and had great pride in the role he played for hospitals & medical practices in his territory. He was loyal, honest, and was a good friend to many. He will be missed and may he Rest In Peace. ❤️

“ To Millie, Glenn, Heather, Marilyn, Juli and what had to be a huge group of extended family and friends: I extend to you my love and deepest sympathy. I just wish I was able to share both with you in person. Knowing Stacy as a youngster was a joy, and knowing him as a man was my honor and pleasure. I had the rare opportunity to forge a bond with him on the fairly frequent occasions when he would visit my office in Perryville during the early to mid-90's. I truly cherished those visits. I remember how he stepped up to help after I suffered a stroke and, for that, I will always remember my cousin with great love and gratitude.
