“ *Bev and family - so sorry to hear about Steve's passing. He was a very nice person and will be missed. When we all worked at A&W Rootbeer Steve (or Pudge as he was called then) would always go about his job quietly with always a smile on his face. Steve was a gentle soul. My thoughts and prayers go out to you and your family. May God bless you and bring you some sort of comfort in the coming days.*

“*My sincere condolences to Bev, Stephanie, Courtney and all of Steve's family. Worked with Steve and for him on many many jobs with Nooter. Though we didn't hang out off the jobsite, we had a lot of great and fun times while working with each other Steve was very conscientious about the work he did, and the jobs that he ran. Even though he was dealing with a lot, Every time I call, we have a good time reminiscing about the jobs and certain things that happen and have a good laugh.*
