“ Gus, we are sorry you had to give her up to the Lord. We will not be able to make it to the visitation and be with you and the family. We just want you to know we care and we are thinking about you and your family.

“ Prayers to her family and friends who are no doubt missing her, but who are celebrating her through cherished memories. Her spirit remains with you and will guide you and comfort you as you pass from grief to fond memories. Trent, she was an inspiration and powerful force in the wonderful person you became - what a legacy she leaves with her beautiful family.

“ Please accept my deepest sympathy for I too know the pain of losing someone you love. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon, all those in the 'memorial tombs' will hear the voice of his only-begotten son Jesus and 'come out' by means of the resurrection. (John 5:28,29) What a wonderful day that will be!
