“ I was saddened to hear about the passing of my long time friend and colleague at Southeast. Susan, you were one of the sweetest, most caring teachers I have ever had the pleasure of working with. You were an amazing lady and there is no doubt in my mind that you left the world a better place than you found it. My deepest condolences to David, Carol and the rest of her family on the passing of such a beautiful person. May God wrap you in His loving arms and give you the peace that surpasses all understanding.

“ I just found out tonight about Susan's passing. I treasure each moment we spent as friends - all the singing, all the laughter and tears, having her introduce me to the father of my child, comparing her Cabbage Patch Kids Collection with my daughter's, and spending good times with her and her wonderful family. Susan, thank you for your friendship, your warm smile, and your caring heart. I love you!
