“ *Tammy was my BEST friend for 5 years at Jackson Villa. I am so very sorry that I was unable to come see you this past year as my illnesses have worsened to the point that I seldom go out of the house.*

I love you so much and even though you are gone I always will. I still have my little Precious dog you bought for me after Sassy passed and my love for our friendship will live on with my VERY special little dog.

How I have and will continue to miss you my dearest of ever friend.

“ *Tamra was my first friend. We both lived in the Terry Lane subdivision. Summers were wonderful! Riding our bikes and playing in the creek during the day, catching lightning bugs in mason jars in the evenings. Only going home when our moms called for us. What a wonderful time. After staying overnight I'd be treated to Gloria's French toast. Yum! I'd never had it before.*
My family and I moved from the neighborhood around 1960. After visiting each other a few times we lost touch. But those times on Terry Lane with Tamra will always be special to me.
