“ Teresa and I worked together years ago an Cnas at Cape Girardeau Care Center. We were very close at one time. We kinda lost touch over years and I ran into her a few times shopping. She always brightened my day, was fun to party with, and I will always cherish memories of her. To her family I am so sorry and had I known I would have been at her services. May God comfort you!

“ Teresa was the closes friend that I have ever had. We went on vacations with the kids several times. We use to do so much. Me and her always wanted to go to New Orleans just by ourselves but we never got around to it. I pray that God gives her family comfort at this time. Lee, Haley, Morgan and baby, I love you all!
