“ I sent condolences last year, but I only recently discovered this guestbook page. I'm Terry's older cousin; I met him 40-some years ago, about the time Toby was born, and he was a huge Johnny Cash fan. I always remembered him as a pleasant, outgoing, fun young man. I'm so sorry that he's passed on. God bless and comfort your family.

“ Terry and I were best friends from about the 5th through the 8th grade. I have fond memories of our time together: trading baseball cards, playing wiffle ball, etc; all the things that boys did back then. Before I moved away in high school, we even discovered girls and cars together! My condolences to his family. He will be missed. 2nd Corinthians 5:8 says that to be absent from the body is to be present with the Lord. I hope you are comforted with these words.

“ I was privileged to work with Terry at Novartis when we both worked in Respiratory/Dermatology. While I wasn't a direct counterpart, I was on the same team with Bryan Young and had the opportunity to get to know Terry through Bryan. What I remember most during our meetings was his genuine nature and welcoming personality. I have been praying for Terry daily during his battle. My deep felt condolences for all of Terry's family and friends. May God's grace and love comfort you always.

“ Linda, Morris and I want to extend our sincere condolences and prayers for both you and the family. Terry was a great guy and will be missed. I like to remember him in good times and how caring he was when Morris had his surgery in Cape. Terry came to the hospital several times to check up on us knowing how far from home we were. He always thought more of others than he did himself. Love to your family in this tough time Judy and Morris Clark

“ Linda: Our thoughts and prayers go out to you and the children. It seems such a short time ago when Terry and I started working together. Although we have not had that close association for a number of years; we have always stayed close. I will miss him greatly as I know you will also. Just know that he is in a better place and no more suffering.

“ Prayers of peace and comfort to Terry's family. I am a CHS classmate of Terry's and worked with him at SE Hospital pharmacy for a time. He was a good man and fought a courageous battle. He was always positive in his outlook and seemed to get great joy out of each day. May his soul rest in the peace, love and comfort of our Heavenly Father.
