“ Uncle Terry you will be missed by many. My Mom’s baby brother who she talked about so much thru the years. She had such wonderful memories of you and all the time she spent with you when you were growing up. She was proud to be the big sister. I remember growing up and you being around especially being just 4 yrs younger than you, you kept an eye on us especially as we were in school. No one would have messed with us. 😊 We will meet again in the meantime enjoy your reunion with the ones who have gone ahead.

“ Terry was our girls softball coach in Thebes after Clyde Coyler. I really enjoyed playing softball under Terry. He loved the game and was fair to all of the players. I hardly ever seen him in recent years but I knew he worked hard. Rhonda was like fa.ily when we were growing up. My prayers are with her and the kids. Holidays will be hard but God is able to help you through it all.
