“ My deepest sympathy, I just got off the phone with Cousin Theda down in Texas and we were talking of how we were looking forward to her 100 birthday in July. My fondest memories were of visiting her at Buckner Ragsdale with Aunt Eugene and my mother. I miss Aunt Eugene so much even now thinking of her. Your mother I consider an Aunt too even though Aunt Eugene was the one who was the one Married to my Uncle Homer Graham. We always visited her at Buckner's. Yes I must admit through the years I have lost track and that is something that is very upsetting to me that I did. Take care and God Bless, Mary Jane Graham Craft
