“ *The Meyer family have been such a blessing to our community. Their love for their faith and family have touched my families’ hearts for many years. Unconditional love for everyone who have touched their lives. Tom continued the legacy that his dad and mom lived by. Tom had not only a deep love for his family and community but also a great love and respect for our country. He was from a generation who never forgot where to give thanks. May the peace of our dear Lord hold you in His arms.*

“ Condolences and prayers for healing, comfort and peace for the Meyer Family during this difficult time. Thomas M, Thomas L., and Rupert were all such great guys, inspirations and business guys to the City of Cape Girardeau, the Downtown Merchants and countless other projects. I use to hang out in the office and was good friends with these three amazing men and have coffee, listening to the many ol' stories. Tom will be missed greatly, - these three men are Legends to the City of Cape Girardeau and surrounding areas and local businesses. RIP my dear friend. Charlotte Cannon.

Dear Mary and Children I couldn't believe it when I read of Toms death in the paper this morning. Last i saw him he was so healthy, can't believe he's gone. What will the City of Cape do without him and his wonderful ideas.

*May God comfort all your family at this time of grief. I have known Tom and his father since the mid 1970's through real estate. From their real estate schools and Realtors Association. Tom was top notch in whatever he did. I always admired him and his skills in whatever he dedicated his expertise. I was shocked when I read of his passing. May your precious memories be a blessing to you. Linda K. Collier, former owner/broker of Collier Co. REALTORS, Dexter, MO
