“ During our high school years in the mid-to-late 70s I will always remember cruising Flat River, Farmington and Fredericktown in Tim's Chevy Nova. Tim was a quiet spoken man and a gentleman. He will be sorely missed by his friends and family. See you in heaven pal...looks like you will get a head start when the Rapture happens.

“ I have and always will remember Tim when he sat behind me in high school English class. We became good friends and he married one of my very best friends. As a young airman I needed help from my hometown bank. I sent a request to the bank Tim answered personally and said he would make sure I was taken care of (and I was). He made a difference in my world. Connie and Mareeta I am so sorry for your loss. My thoughts and prayers are with you.
