“ *I was the coach of the Savannah High School Brain Bowl team when Tim was a member of the team. On the very first question Tim buzzed in after 3 words of the question were given. "Savannah, Bruner." He nailed it and the following bonus where Tim named all 7 of Dante's 7 deadly sins. Every watched in amazement as Savannah beat St. Jo Central for the championship. He was the best competitor I ever coached. Ken Reger*

“ To Tim's Family - my contact was very brief, first met Tim at training in Colorado Springs in April 2016. Over the course of the next year, working for eviCore from home, our paths crossed twice in conversations (call transfers). Tim was such a kind, professional nurse, exhibiting excellent people skills dealing with customers as well as spending time with coworkers. I am saddened at his passing. As I am sure you know, he made a difference by his living.

“ I am so sorry to hear about the loss of a wonderful, giving man. He volunteered at Samaritan Regional Health Clinic for 2 years and was a blessing to us and our patients. He always had a smile on his face and something cheerful to say to our patients. He also wasn't afraid to show his caring heart to all he saw. We will miss him greatly.

I know he is in heaven now enjoying the peace and free of pain.

I hope the best for his family at this hard time.

“ I met Tim in April of 2016. We were embarking on our adventures with a new job as clinical reviewers. We didn't spend much time together, but it says something about him that almost 3 yrs later he is fondly remembered by me (and I see a few others have shared similar memories from our time in Colorado). He was always upbeat, helpful, clever, funny.....I'm so sad to hear of his passing.

“ Tim was my best friend in grade school. I meet Tim at John Glenn school. We became friends and his mom and my mom would drive us to each others house to play together. I believe both our mom's were our den mothers for Cub Scouts and Webelos too. He and I had so much fun growing up together. We hunted, hiked, went camping, rode bikes, swam in the creek, explored the dump and the rock quarry, found treasures, had pop bottle and BB gun fights, drove our families crazy, climbed trees and talked for hours together in his tree house. These are some of my happiest memories of childhood. Unfortunately, we did not stay close later in life, but I will always cherish those memories from my early life in my heart. He will live with me in my memories and be my childhood best friend forever. So long buddy. My thoughts and prayers are with you and your entire family!
