“ *I will strive and pray I can walk thru life to even be just half of your goodness. Half of your simple walk through all you walked. I will treasure every memory when we just got time to run away from home. The best memory I'd when we spent 5 hours looking for you a hat like Daddy's. Going by all the homes we were raised in. And ALWAYS ALWAYS just being. Give Daddy, Momma, Stacy and Levi a Huge Huge Hug for me for the first 20 years at our Master's feet. I will see you soon.*
