“ *It was with great sadness that I heard of Tim's passing this morning. He was a pillar of strength and friendship for my family during some of the hardest times they've had to endure ... And I'm so glad I got the chance to hug him and say "thank you" the last time I saw him a few months ago. My thoughts and prayers are with you as you say farewell, but know that his love and guidance live on and will be with you forever. God has yet another very special angel.*
