“ Our deepest sympathies to your family. Tina was a wonderful person that was also my mother-law's main caregiver at The Chateau. I can not express how much we appreciated her and how much Sue loved her. Seeing them together was truly the best part of her day. Hope you find a bit of comfort knowing how much Tina meant to our family and that she will be missed every single day.

“ Our prayers and condolences to Tina's family on their loss. I had worked with Tina at McDonald's back in the early 80s and, years later, met her again when she served as the caregiver to my mom both with Comfort Keepers and at The Chateau. She was so good with my mom and kept her laughing with her humor. May you rest in peace now, Tina - you will be missed.

“ Mike, Katie, “Sissy” & family - we are so sorry for the loss of Tina. We were blessed to have had Tina as our Comfort Keeper for the last 8 years. She was the hardest & most dependable helper we had. She had so much compassion, experience & knowledge working with Alzheimer’s & Dementia patients, that we were confident in her care for our son who has Cerebral Palsy, seizures & Intellectual Disabilities. She always told me that she wanted to be a nurse; to me she was - the compassion she had cannot be taught. She has earned her Nurse wings. She was a friend & confidant to not only our son , but to us as a family.

*Well Done, Good and Faithful Servant. Your rest is well deserved.
RIP Tina “Ms. Puff”*
