“ Dale was so great. I met him at Port Cape 30 yrs. ago. One of the first people I met when I came to this area. I always enjoyed talking with him and watching him do his thing at work. He had a lot of class and sure was good at what he did. I sure will miss him.

“ RIP, old friend. Our days go back to the old First Christian Church in PB and the original Pruett's BBQ. Dale always had a friendly smile and "Hello, how'r you doing," no matter how many years had passed between seeing each other -- a wonderful friend. Thanks for bringing Port Cape to the city. You will be missed.

“ We met Dale through my son, Brian Day. I remember the first time I saw him he reminded me of Yoda from Star Wars, as he had on a red jacket w/white trim. We hadn't been introduced to him at the time. We grew to love & respect him. He also let us use his building to celebrate Brian's 40th b'day this past January. Dale we will never forget you & what you have done.
