“ My deepest condolences to Diana and her son. How does one say good bye to a friend like Tyrone who was there almost from the first school years for me. The short answer is you don't. Regardless of the miles and years that separated us, when we met again and again it just picked up again. I will miss my friend Tyrone. He will always be in my heart and that is the only way it could be. So long for a time my friend and may the peace that passeth all understanding be with you. Your friend Earl.
