and overflowing kindness. Thank you to everyone that helped her with her mail, groceries, yard and everything. She appreciated you all so very much. “ May the many happy memories of your Mom help to ease the burden of your sorrow and know she is at rest and no longer in pain. Your Dad and her are once again together in each other's arms, smiling down on us and you now have another special guardian angel on your shoulder. God Bless and be with you and yours as you turn to God, our Comforter, who will lighten the burden of your heavy hearts and bring peace to you.

“ We want to express our remorse at the passing of Vernita. It was a complete joy to enter the store to her smiling face each time! It never mattered how busy she was, she always took the time to ask how our children were and what they were doing with their lives. The world has lost a beautiful lady!
