“ *Vera Jean Hall, my mother, will be especially remembered for being a very thoughtful person, always acknowledging other's birthdays and accomplishments. I will miss her big smile, her laughter and the fact that she truly cared about everything and anything her children and grandchildren did.*

Vera had worked for Dr. Baumstark as a dental assistant for many years before working at the county collector's office. She had also been a 4-H leader and a Bible School teacher as well as a volunteer classroom room mother. She graduated from the former College High School, having been voted Senior Class Princess. She was definitely the Queen of our family. Mom, I love you now and forever. Until we meet again, your loving daughter.

Her hobbies were antique collecting, bird watching, growing flowers, making rugs on a loom and giving tours of the Hall's log house.

“ *I remember growing up how we always looked forward to going to see Vera Jean & Johnny. She always made us feel like it had been just a short time since we had been there, instead of years. We loved to sit and listen to her talk about family and the times they grew up in. We would always leave wishing we could have been there sharing them with her. I hope she knows how much her love and kindness meant to me and my family. I am blessed to of been a part of her life and look forward to seeing her again.*
