“ *Words fall short of expressing my heartfelt sympathies to all of you. My thoughts are flooded with so many memories of Aunt Verna. I can still remember the long car rides from Michigan to Malden to see you all and that first "hello" hug from her - so warm and loving. When I went to nursing school and my folks had moved back to Michigan, she always made sure I came "home" for the weekends to her house ~ and it truly did feel like "home". She was a very special aunt and I feel so blessed that I have such wonderful memories. You are all in my thoughts - sending my love. Ellen*
