“ Angie, My thoughts and prayers are with you and your family during this difficult time. I know your mom will be missed very much but I hope you find some comfort in knowing that she is whole and fully healed and with God. I know mom and dad welcomed your mom with open arms. I'm sorry I can't get to the funeral home; Ruby graduated from SEMO and we still have a houseful of her family but know that I am thinking of you. You were very special to our family!
