“ *My deepest sympathy for the loss of Vic. My parents Leon and Gerry Whitler were friends of Vic and Cindy, and went to church with them. They always spoke very highly of Vic. He was a good man. He was just at my house in july for a plumbing problem. I cant believe I just seen this and Vic is gone. Rest in peace Vic, we know you are in a better place based on the faith he exhibited to all.*

“ Vic will be greatly missed. He was a true professional in the way he ran his business and took care of his customers. Every time our family needed his services Cindy would send him to us as soon as he was available. He walked with the Lord and you could see Jesus in him. Cape Girardeau was better off for the life of Vic Picar. He made a difference to our Community. Cindy, you and your family our in our prayers.

“ Mr. Picar was a very nice and caring man. Every time I had a plumbing problem I would call and speak with his wife and she would send Vic right out. I always knew the work would be done right. I seen him and his family when they would come into Chick Fil A and have lunch. He was so proud of his granddaughter. He always had time to say hi and ask how I'm doing. When I heard the news I was devastated. Sincere sympathy goes out to his wife and family. You will be in my prayers. God bless you. Sincerely, Carole Lemonds and family.

*I am praying for the family. He was always so happy. In a way I confused Vic. We used to live on Glenridge Drive close to where he and Cynthia lived. I would meet Cynthia most every day as I was walking my big black dog , Cooper. Vic had to make a call to our house. Then he made a house call to our daughter's and I happened to be there. Vic was surprised to see me there. We got the family all figured out And then he realized I had taught Ivi at CHS, knew Aaron from CHS , and we both had granddaughters named Amelia and Emilia. Vic was very proud of his Emilia. After that time any time he saw me out in Cape shopping he would ask me how my Amelia was. Such a nice man who was a hard worker, always had time to speak to you, and a very proud grandpa. He will be sadly missed by many.*

“ *Back in 1980 to 1985 I use to work at the Best Western in the dining area and kitchen. I was the waitress, cook and bus boy plus do all the dishes then off to the laundry area by noon. I remember a group of men who came every week for bible study. I believe that this man Vicente was one of them. For some reason I always called him Victor. He always answered to me when I did talk to him. I had to quit work on Feb. 14th 1985 because of a difficult pregnancy. I also had seen him in and about our town after that. He still was Victor to me when I said hello. He was the most kind and a gentleman. He seemed to be easy going. I pray that God will comfort your family in your hour of need. You were blessed to have had him for so long. He is right there in his Glory with our Lord now. You can't get better that that.*

*I have known the Picars for a very long time. First when I was young through church, I went to school with Aaron and my family were his customers forever. He was always so deeply kind to my Grandmother and always had a kind word for anyone whenever he met them and a big smile. He will be missed!*

*I only met Vic Picar in person once during our UHSM High school reunion in Las Vegas attended by alumni's living in the US. I finally met the man behind the countless funny facebook comments that is so original, endearing and humorous at times! I know that this man's faith and his love of family and friends are his core values. We will all miss our dear high school buddy that brought fun in his own style to our graying years. He is one of a kind! We will surely miss you!*
