“ Vickie and I were classmates and good friends all thru 6th grade to high school graduation. She was a wonderful girl who made friends wherever she went. She was bright , articulate and just fun to be around. I want to give condolences to her family. Just know that I will always remember her and that she will be dearly missed.

“ Gary, Jennifer and Josh, you have my deepest sympathy and continued prayers on the loss of dear Vickie. I've known her almost all her life, we had the same nanny as little kids, went to school all those years and lived in same area. She was so thoughtful and so much fun. She also was the best, "guacamole maker", and shared it with me a lot. She will be missed. Nancy Beal

“ Dear Gary & family, We were so sorry to hear of Vickie's passing. It's been a good while since we've seen y'all. I've thought about her and checked to see if she was on facebook, but didn't find her. Dennis let me know the other day and said you mentioned you thought Vickie and I were somehow related. Her grandma Alma and my grandma Eula were sisters, so Vickie would've been my cousin, 3rd cousin I think. Vickie and I got to know each other quite well when we both worked for Harold. In fact, I let him know about Vickie. Once again we're so sorry and we'll be praying for you and your family.
