“ Nancy, I did this yesterday but I'm afraid I did something wrong so wanted to be sure you got my message. We were out of town all last week and it was in reading the paper just last night that I noticed your mother had passed away. I am sorry to hear this-- losing a parent is never easy regardless of the reason--age, illness, or whatever. It's still your mother and it hurts. Please know that I am thinking of you. Joan

“ Nancy and Tim, Gary and I are very sad to hear of your loss. We loved Viola as if she was our family too. She enjoyed Val's wedding as much as we did. She was out there dancing with Brock and enjoyed the music. We will keep you in our prayers today during her funeral. Your friends, Gary and Jeanie Stuessel
