“ I took care of Ms. Virgie last year and enjoyed every second I had with her. This breaks my heart but I know she's dancing with her fancy socks on with the King. My heart goes out to her family as she was such and sweet and spunky lady who has left a huge impact on me.

“ *What vividly comes to my mind is memories of seeing her working at the Jackson Missouri Wal-Mart, driving her Lincoln, teased hair, looking hot, using the word "hun" with conversations with me, having a calm voice and taking care of others. Miss you. Your nephew Keith.*
