“ How sorry I was to ready about Virginia's passing. She was a dear, dear friend of my mother's (Geraldine Starzinger Godwin Kassel) from the time they were operators together when they graduated from high school and they remained lifelong friends. My mother spoke of her so often with such fondness and she provided invaluable support to my mother after the deaths of both her husbands. Heaven will be an even brighter place with the old telephone gang reunited for eternity.

*Sincerely,
Jane Godwin Moore*
